CAYMAN ISLANDS

Civil Aviation Authority Law (2015 Revision)

AIRCRAFT (LANDING AND PARKING FEES) REGULATIONS

(1995 Revision)

Citation

1. These Regulations may be cited as the Aircraft (Landing and Parking Fees) Regulations (*1995 Revision*).

Definitions

2. In these Regulations, unless the context otherwise requires —
 - “**aircraft**” means a machine that can derive support in the atmosphere from the reaction of the air over its lifting surfaces;
 - “**airports**” mean Owen Roberts Airport in Grand Cayman and Gerrard-Smith Airport in Cayman Brac;
 - “**Director**” means the Director of Civil Aviation; and
 - “**weight of aircraft**” means the maximum all-up weight as specified in the Certificate of Airworthiness or other prescribed document.

Payment of fees

3. It is the duty of the pilot in command of an aircraft to pay to the Air Traffic Control Officer on duty all fees due before the departure of such aircraft from the airport:

Provided that certain air carriers and private aircraft owners or operators may, with the agreement of the Director in writing, pay such fees not later than one month in arrears.

Landing and parking fees

4. The fees prescribed in the First Schedule are the landing fees and the fees prescribed in the Second Schedule are the parking fees payable in respect of aircraft operating into and out of the airports:

Provided that the Director may generally or in any particular case waive such landing and parking fees or any part thereof.

Exemptions

5. Military and State aircraft are exempt from payment of landing fees.

Annual fees

6. (1) The Director may issue to the owner or operator of a locally-registered aircraft which is used exclusively for private, pleasure or domestic purposes, the weight of which does not exceed eight thousand pounds, a landing and parking fees card valid for one year on the payment by such owner or operator of the sum of seven hundred dollars.
- (2) An aircraft in respect of which a landing and parking fees card issued under sub-regulation (1) is in force is, for the purpose of using the airport for which the card is valid during the hours promulgated from time to time, exempt from the payment of the landing and parking fees prescribed in the First and Second Schedules.

Calculation of parking fees

7. Fees for aircraft parked at owner's risk are payable in respect of each period of twenty-four hours occurring after the elapse of a period of one hour commencing from the time that the aircraft landed at the airport and are calculated by reference to the weight of the aircraft and prescribed in the Second Schedule.
